SOLUTIONS FOR TELECOMMUNICATIONS

WE LIVE
HERE

CATHEDRAL
CORPORATION

To thrive,
you must provide
a high level of
customer service and
responsiveness.

WE LIVE IN A PLACE WHERE telecommunications firms
provide communities with
vital services

To excel,
you must communicate
your value and position
yourself as the
provider of choice.

To grow,
you must offer the
cutting-edge technologies
that meet your
customers needs.

... a place where your critical communications connect you to your customers to build long-term relationships.

As a service provider in the telecommunications industry, you face an array of challenges—constantly changing technology, increasing customer expectations, changing governmental regulations, and in most markets, intense competition. At the same time, you need to manage precise billing cycles accurately and consistently month after month. ✨ And your invoices represent more than just a request for payment—these essential documents are your best and most consistent way to communicate with your customers. With these monthly communications, you can offer new services, explain a new feature, reinforce your brand, and build customer loyalty all at the same time. ✨ As an expert in flexible data management and data-driven mailing programs, Cathedral can provide you with leading-edge Essential™ communications that meet both your transactional and marketing needs, including high-quality print and electronic documents backed by an unparalleled commitment to complete quality and 100% accuracy.

Why Cathedral? Cathedral provides Essential™ communications for the telecommunications industry, offering expertise in data management, mailing and cost saving postage programs, transactional and marketing communications, and exceptionally responsive customer service. The net result is a committed, consultative partner that can meet your needs with cost-effective, innovative solutions that position your business for a vital future.

Because of Cathedral's data management expertise and attention to detail, we distinguish ourselves with a proven approach to creating the Essential™ documents that are the backbone of your business—your monthly billing statements. And because we understand just how costly billing mistakes can be, we guarantee 100% accuracy, 100% of the time.

But our service doesn't end there. We can provide intelligent inserts printed in full color,

spot color, or black and white to alert customers about new services. We also provide electronic statements and even enable electronic payment options—all with the same vital marketing messages as your printed statements. And because we follow the trends in your industry as well as ours, we never stop working to come up with new applications and opportunities for more effective communication.

As a committed partner, Cathedral lets you off-load your labor-intensive billing processes so you can focus on other critical business activities. We bring more than 80 years of experience handling complex data and time sensitive documents, so you can rest assured that your Essential™ communications are in good hands.

We know that you live your commitment to your customers. When you choose Cathedral, **we live it, too.**
